THE GLOBAL EDGE

ERGONOMICS IN THE OFFICE

- One stop shopping for a full range of office furniture.
- Seating, desks, tables, files, modular furniture, panels and accessories.
- Ergonomics, competitive pricing and built-in value.

STRENGTH AND STABILITY

- Established in 1966.
- One of North America's largest office furniture manufacturers.
- Manufacturing and showrooms worldwide.

QUICK SHIP - INSTOCK

- Hundreds of products in stock for immediate delivery.

STRONG LOCAL REPRESENTATION

- Service and expert advice where you are, when you need it!

MANUFACTURING CAPABILITY

- Vertical integration ensures "start to finish" control.
- Ongoing research and investment in new, innovative production technology.

QUALITY ASSURANCE

- Quality Assurance Program is qualified by C.G.S.B. ISO9001 standards.
- On-site furniture testing facility.
- Product and components are tested to ANSI/BIFMA standards.

ENVIRONMENTAL COMMITMENT

- Continuous development of "earth friendly" programs.
- One of the first molded foam manufacturers to create ozone-friendly, CFC and HFC-free processes.
- Seat and back pans are made from recyclable plastics and wood waste, enabling little waste and cost effective products.

SYMBOL IDENTIFICATION

Global's Certified Products are in compliance with the stringent emission guidelines set by the GREENGUARD Environmental Institute and include all Upholstered Seating. To obtain a GREENGUARD Certificate for any product, please go to the product page on our website www.globalfurnituregroup.com and click on "View GREENGUARD Certificate".

level™ certification, based on the ANSI/BIFMA e3-2012 furniture sustainability standard, sets furniture manufacturers on a path toward greater sustainability over time. Based on environmental and social criteria set forth in the standard, a product's entire supply chain is assessed.

Certification assessment includes an evaluation of specific corporate policies and guidelines and an assessment of associated company manufacturing facilities. Products must meet quantifiable milestones of environmental and social performance at every step of development.

The quantitative assessment addresses four categories: material use, energy and atmosphere impacts, human and ecosystem health and social responsibility.

Manufacturers earn points in each of the four categories. The level™ brand and its numeric rating of 1, 2 or 3 indicate what threshold of certification a product has achieved. level™ 3 is the highest rating.

Global's wide variety of lateral files can satisfy every price point and individual style. Choose from center or full pulls, fixed or receding drawer fronts, various size drawer openings and a range of colors to coordinate with any office.

Prime Series
Premium products preconfigured to suit your needs. Features fixed front or receding doors with full integrated pulls and fully welded case construction to deliver superior strength and clean aesthetics. Select configurations available with extra large openings to accommodate binders as well as posting shelves. Premium steel construction with full extension ball bearing suspension system on all drawers. Drawers accommodate legal or letter file sizes in front-to-back or side-to-side orientation. Interlock systems allow only drawer to open at a time. Anti-bounce back safety features prevent drawers from sliding open.

1900P Series
Features an angled full pull and smooth, seamless welded corners. Counterweight is standard. Fixed front drawers. Drawers are 12" high.

9300 Series
Features a center pull and seamless welded corners to provide lasting strength and durability. Available with both fixed or receding doors.

9300P Series
Features a looped full pull for convenient opening and upscale appearance. Smooth, seamless welded corners provide lasting strength and durability. Available with both fixed or receding doors.

Features and Benefits
- Standard locks with removable cores for keying alike
- Standard lock bars on both sides of cabinet provide increased security
- Positive interlocking system prevents tipping by allowing only one drawer to open at a time
- Full extension ball bearing suspensions
- Select openings are large enough to accommodate standard 3-ring binders
- Side-to-side hanging file bars included for filing letter or legal size documents
- Standard leveling glides ensure drawers are easy to open
- Earth friendly electrostatically applied coating protects the environment and provides a durable finish
- Available in a range of colors, including special paint finishes - see Notes for details

Core removable cam locks are standard

Coordinating laminate file tops available in all Global laminate finishes.

Flexible folder storage

DESIGN AND CONSTRUCTION FEATURES OF 1900P, 9300, 9300P FILES

- **THE LETTER "P" IN THE MODEL NUMBER DESIGNATES FULL PULL MODELS**. All other models have recessed center pulls.
- An earth friendly electrostatically applied coating protects the environment and provides a durable finish.
- Internal steel corner gussets increase strength and rigidity.
- Case construction combines spot and mig welding for greater durability. Top cap stiffener included for added strength.
- Indents on cabinet sides show ganging locations
- Standard locks have removable cores for keying alike or later modification in your office. *Master keys and core keys are available; please contact your Global customer care representative.*
- STANDARD LOCK BARS ARE ON BOTH SIDES OF CABINET PROVIDING INCREASED SECURITY.
- Positive interlocking system is integrated into each suspension allowing only one drawer to be opened at a time.
- Full extension ball bearing suspensions with built-in feature to prevent drawer bounce back and creepage.
- "B" OPENINGS (with receding doors) will accommodate letter, legal and A4 hanging folders, plus STANDARD THREE RING BINDERS.
- "B" OPENINGS (with fixed drawer fronts) will accommodate letter, legal and A4 hanging folders, plus EDP SUSPENDED DATA BINDERS.
- "L" OPENINGS (with receding doors or fixed drawer fronts) will accommodate letter, legal or A4 hanging file folders.
- 12.25" Opening on 1900P Series
- Receding doors slide easily into cabinet.
- Pull-out shelves have a rolled front edge. Fixed shelves (custom order only) have a flat front edge for easier material retrieval.
- **Interior drawer parts and all accessories** are EFC (environmentally friendly color - a variable charcoal-like color as a result of the use of recycled finishing materials).
- Side-to-side hanging file bars are included in standard configurations and are fully assembled. These can be positioned for letter or legal materials.
- Four adjustable leveling glides are easily accessible from inside the cabinet to assist in quick and proper installation.
- For environmental certifications, please visit globalfurnituregroup.com
- Lifetime Warranty. (See Terms and Conditions)
- Counterweights must be specified on lateral files with pull out drawers, unless worksurface supporting, ganged together or anchored to the floor or wall.
  ***Counterweights are standard on 2, 3 and 4 high 1900P Models**

DESIGN AND CONSTRUCTION FEATURES OF PRIME FILES

- **THE LETTER "P" IN THE MODEL NUMBER DESIGNATES FULL PULL MODELS**.
- An earth friendly electrostatically applied coating protects the environment and provides a durable finish.
- Master keys and core keys are available; please contact your Global customer care representative.
- Five lateral file drawer configurations are available: two-high, three-high, four-high, five-high and six-high, all available in three height options (with the exception of the six-high cabinet which is available in letter-height only).
- STANDARD LOCK BARS ARE ON BOTH SIDES OF CABINET PROVIDING INCREASED SECURITY.
- A patented interlocking system prevents more than one drawer opening at a time to guard against tipping.
- An optional, fully-retractable posting shelf is available for five- and six-high lateral file cabinets to provide a convenient ledge.
- All drawer heights are based on a 1.6" module (the size of the posting shelf), then 3.2", 4.8", 6.4" to up to 16".
- The interior construction of the case permits drawer reconfiguration or retrofit at any time.
- Full extension ball bearing suspension with built-in feature to prevent drawer bounce back and creepage.
- 14.4"H Openings (with receding doors) will accommodate letter, legal and A4 hanging folders, plus STANDARD THREE RING BINDERS.
- 13.6"H Openings (with fixed drawer fronts) will accommodate letter, legal and A4 hanging folders, plus EDP SUSPENDED DATA BINDERS.
- 11.2"H Openings (with receding doors or fixed drawer fronts) will accommodate letter, legal or A4 hanging file folders.
- **DRAWER FRONTS HAVE A WELDED REINFORCEMENT CHANNEL FOR ADDITIONAL STRENGTH**.
- Four adjustable leveling glides are easily accessible from inside the cabinet to assist in quick and proper installation.
- Label holders are included with full pull fronts to clearly identify the contents of each drawer.
- All lateral file accessories are Grey, except for the divider plates and EDP adapters are Black.
- Side-to-side hanging file bars permit hanging letter-, legal- or metric-size files in side-to-side arrangements
- Front-to-back file bars permit hanging letter-, legal- or metric-size files in a front-to-back arrangement. They are shipped in packages of two.
- **Counterweights are required for all cabinets with pull-out drawers and cabinets not located directly under a worksurface**.
- For environmental certifications, please visit globalfurnituregroup.com
- Lifetime Warranty. (See Terms and Conditions)

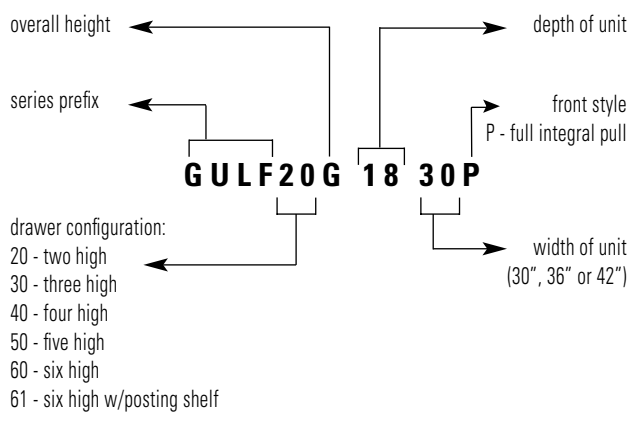
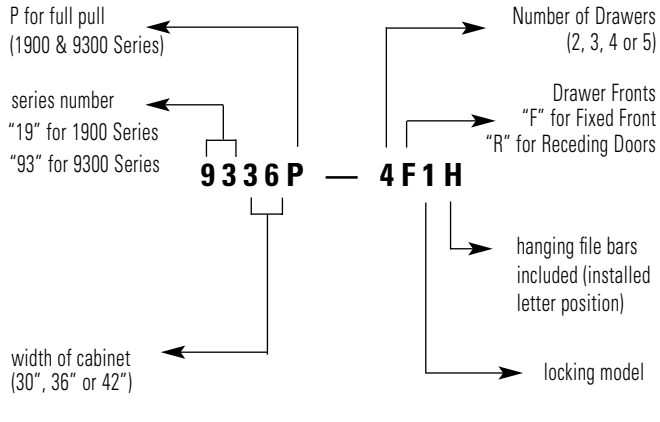
PRIME LATERAL FILE PRODUCT CODE EXAMPLES



1900/9300/9300P LATERAL FILE PRODUCT CODE EXAMPLES



IMPORTANT ORDERING INFORMATION

- Hanging file bars (accessory model - HBF) are included with standard products. When ordering custom drawer configurations hanging file bars (HBF) must be ordered for each drawer.
- Factory installed counterweight is recommended for use in 30", 36" & 42" wide 2, 3, 4 & 5 drawer freestanding lateral files, counter weight option requires specifier selection.
- The following page describes the accessories needed to optimize various filing configurations.

SPECIFICATIONS

- Specifications marked with an * are applicable to only those products which have the * symbol beside the product name.

STANDARD PAINT FINISHES

Black (BLK)	Bone (BNE)	Business Grey (BGR)	Charcoal (CHR)	Claret (CLT)

PRIME LOCKERS - NOTES

GENERAL INFORMATION

- Comprehensive range of personal storage in a variety of sizes and configurations starting at:
  - 35"H single column widths up to 72"H triple column widths.
  - In widths of 12", 15", 18", 24", 30", 36", 42" depending on configuration
- Configurations include units with 1, 2, 3, 4, 6, 8, 9, 12 individual compartments depending on size.
- Lockers provide individual storage solutions for personal and work-related materials. Extensive range of configurations and aesthetic choices available to complement any space plan; in personal or shared workspaces, providing flexibility, convenience and security. Ideal for flex spaces and hybrid work schedules; can be used to help define space in an open area or a bank along a wall, or used as barriers between work areas and to help guide workplace foot traffic flow.
- Painted metal case with door front options available in painted metal or thermally fused laminate to add warmth and complement desking products or millwork.
- Multiple door pull options including integrated full metal pulls or applied pulls to match Global desking series to seamlessly integrate with any existing products to customize the overall aesthetic.
- Digital keyless lock options with keypad entry, programmable for "assigned" or single use "hotelling" applications. Be sure to specify master programming key and manager key(s) for each installation site.
- Inside access to leveling glides for ease of installation.
- Optional angle tops available to convert a standard flat top locker to one with a sloped top.
- Angle tops are 5" high and can be added to any Prime locker.
- Units ship fully assembled.

CONSTRUCTION SPECIFICATIONS

- Steel case construction of top and bottom, back and sides are 20 gauge flanged steel.
- Welded case is reinforced with 20 gauge steel horizontal and vertical channels to ensure strength.
- Steel doors are constructed of 22 gauge flanged steel and reinforced with 22 gauge steel vertical braces
- Full overlay hinged doors with 110° opening angle
- Laminate doors are thermally fused laminate with 1mm matching edge band.
- Two and three column lockers have vertical dividers constructed of double wall 20 gauge steel fastened to the base and top
- Meets applicable ANSI/BIFMA standards for optimum durability and performance.
  Note: All **12**", **15**" or **18**" **wide lockers must be ganged** to another locker or anchored to a fixed wall or adjacent cabinet for compliance with applicable ANSI/BIFMA X5.6 storage standards. Ganging instructions are available separately.

PRODUCT CODE BREAKDOWN

Example 1: **GUTSS** | 4 | 72 | S | 15 | L | P

GUTSS- indicates locker, single column
6th position # - indicates row count (horizontal division of column):
1 = single row (1 high)
2 = two rows (2 high)
3 = three rows (3 high)
4 = four rows (4 high)
7th and 8th position ## - indicates overall nominal height
S - indicates 18" overall depth
10th and 11th position ## - indicates overall width
L or **R** - indicates doors installed for left or right hand hinge.
Note: Handedness is determined by the location of the hinges on the door.
Last character indicates door front style:
P - full pull
M - flat metal front, handle style optional
L - laminate front, handle style optional

Example 2: **GUTDS** | F | 1 | 54 | S | 24 | L | M
Example 3: **GUTTS** | F | 4 | 72 | S | 36 | R | L

GUTDS - indicates locker, two column
GUTTS - indicates locker, three column
F - indicates freestanding, applicable to two and three column lockers
7th position # - indicates row count (horizontal division of columns)
1 = single row (1 high)
2 = two rows (2 high)
3 = three rows (3 high)
4 = four rows (4 high)
8th and 9th position ## - indicates overall height
S - indicates 18" overall depth
11th & 12th position ## - indicates overall width
L or **R** - indicates doors installed for left or right hand hinge.
Note: Handedness is determined by the location of the hinges on the door.
Last character indicates door front style:
P - full pull
M - flat metal front, handle style optional
L - laminate front, handle style optional

FINISH OPTIONS

- Specify finish for case and doors separately
- Metal case and doors are finished in an environmentally friendly electrostatically applied powder coat solution - a superior durable and lasting finish.
- Specify laminate finish for laminate fronts
- Specify handle for models ending in **M** (flat front metal) or **L** (laminate front)

SPECIFICATION OPTIONS:

PULLS

For models ending in **P** (full pull):

No handle option default
Hasp lock for user supplied padlock is not optional
Digital keyless entry, keypad style lock is not optional

For models ending in **M** (flat front metal) or **L** (laminate front):

R - Bar Handle, Black
Q - Bar Handle, Silver
G - Bridges Handle, Black
P - Bridges Handle, Optional
B - Bridges Handle, Standard
O - Crescent Handle, Black
Z - Dimpled Handle, Nickel
X - Flared Handle, Black
W - Flared Handle, Brass
S - Flared Handle, Silver
U - Square Edge Handle, Black
V - Square Edge Handle, Silver
L - Hasp Lock, no handle. **Add $39** list upcharge per opening, lock will default to option KHS.
K – Digital Lock (includes handle) keypad entry with Assigned or Shared mode. **Add $207** list upcharge per opening.

V square edge Silver

Q bar Silver

R bar Black

S flared Silver

U square edge matte Black

Z dimpled matte Nickel

W flared Brass

O crescent Black

X flared matte Black

B Bridges handle, standard
G Bridges handle Black

P Bridges handle, optional

Note: Unless noted otherwise, handles are from the Zira Desking series

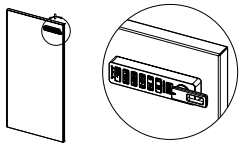
LOCKS

The following options are available for units with full pull or when applied pull is selected:

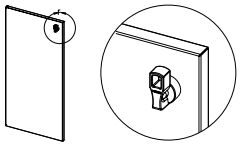
NLK - No lock
KRM - Key random
KLP - Key list provided, cores shipped separately

Notes:

- When K pull option is specified for digital lock, select lock option:
  KDA for assigned mode
  KDS for shared mode
  Lock position is the same as for cam lock (see page 38), hardware mounted horizontally. Be sure to specify Digilock program and manager keys separately (one program key and at least one manager key is required per install). Refer to page 55.
- For models ending in **P** (full pull), lock position is the same as for cam lock (see page 38) but within the full pull fold.
- For hasp lock (**L**) option, same position as Digilock option



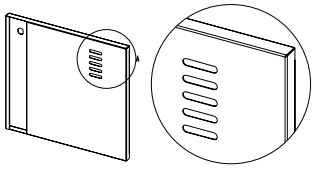
Digilock shown on left hand hinge door



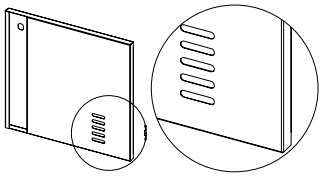
Hasp lock shown on left hand hinge door

VENTILATION

- Only applicable for lockers with metal doors (models ending in **P** and **M**), no upcharge. Ventilation options are not available for products with laminate fronts.
  N - None.
  U - Upper position on door front
  L - Lower position on door front
  B - Both upper and lower positions on door front



Full pull door with vents on upper side



Full pull door with vents on the lower side

GANGING

- All **12"**, **15" or 18" wide lockers must be ganged** to another locker or anchored to a fixed wall or adjacent cabinet to be compliant with applicable ANSI/BIFMA X5.6 storage standards. Use a #8 or # 10 self- tapping screw, join units through the frame holes at the frame location where there is a double wall to ensure the screw tips are protected inside the frame. Self-tapping screws are to be provided by the Installation company.

VERTICAL FILES

Global's vertical files include a range of drawer handle options and varying drawer depths. All models are available in letter or legal size widths and a variety of color choices.

2500 Series

Features **25" deep** drawer cases with drawer pulls, thumb latch and label holders. Two and four drawer models are available with or without lock kits and follower blocks.

2600 Series

Features **26.56" deep** drawer cases and extra wide aluminum label holders. Includes applied pull with thumb latch for opening drawers. Files legal and letter size documents in 2, 3, 4 and 5 drawer heights.

2600 Plus Series

Features **26.56" deep** drawer cases and **recessed pulls** that coordinate with 9300 series lateral files. Files legal and letter size documents in 2, 3, 4 and 5 drawer heights. All models feature locking drawers.

Features and Benefits

- Locks have removable cores for keying alike; field-installable lock kit available for non-locking models
- Full seamless closed tops for a smooth appearance and increased strength
- High wall drawer sides accommodate front-to-back hanging file folders and eliminate the need for costly hanging file frames
- Fully adjustable and removable follower block is standard
- Full extension ball-bearing suspension for smooth and durable drawer movement
- Earth friendly electrostatically applied coating protects the environment and provides a durable finish
- Available in a range of colors, including special paint finishes - see Notes for details

Optional field installable lock kit

High drawer sides accommodate hanging folders

SPECIAL PAINT FINISHES

- All special colors must use **one** uniform color per series (example: 9300 series laterals). Quantities of 1 to 10 add 10%; 11 or more **no upcharge.**
- Mica and Metallic finishes add 10% upcharge.
- Special white finishes add 10% upcharge.
- Tungsten finish, add 10% upcharge.
- ALL NON-STANDARD FINISHES MUST BE APPROVED BY GLOBAL BEFORE ANY ORDER WILL BE ACCEPTED. LONGER LEAD TIMES WILL APPLY.
- Thumb latches and handles limited to colors listed above. Please select closest or contrasting color at the time of order.

LOCKS

- Available as standard with random numbers, or with optional key alike or specified key numbers. Specify with key numbers W401 to W559. No upcharge. Where applicable.

DESIGN & CONSTRUCTION FEATURES OF 2500 SERIES

- Cases and components are painted with a high-solids polyester and epoxy blend of powder electrostatically applied to 2 mil thickness and baked at 450˚ for 15 minutes to a hard and durable finish.
- **25" case depth** in both legal and letter widths. Case construction combines spot and mig welding for greater durability.
- Top cap has a seamless front giving a clean smooth appearance while increasing strength and rigidity.
- Additional strength is provided by four vertical steel channels.
- **Locks are standard** on all 2500 series models.
- All tenon locks have removable cores for keying alike or later modification in your office. Master keys and core keys are available; please contact your Global customer service representative.
- Standard thumb latch prevents accidental drawer opening or bounce back.
- High wall drawer sides accommodate front-to-back hanging file folders.
- A follower block is standard in every drawer for holding "non-hanging" file folders upright. Removable to maximize space.
- Leveling glide option NOT available
- Full extension ball-bearing suspension provides smooth and durable drawer movement. Built-in guides for easy drawer removal and insertion to adapt to changing filing needs.
- Lifetime Warranty. (See Terms and Conditions)
- For environmental certification, please visit globalfurnituregroup.com

textiles and finishes

Care and Cleaning

Textiles

Fabrics: To extend the life of your seating upholstered in fabric, regularly dust the chair to prevent airborne particles from penetrating the fabric surface.

For light soiling, use a damp cloth and blot the spot with very slight pressure, taking care never to soak the fabric. Dry with a clean cloth by blotting - never rub fabric. More intense stains can be treated the same way, but with a mild detergent. Always test fabric first in an unseen area before using any cleaning method.

Leather: For regular cleaning, simply use a soft damp cloth, taking care not to soak the leather. For more thorough treatment, soak a soft cloth in mild soap solution and wipe surface in a light circular motion. Repeat with clean water. Allow to dry and polish with a soft dry cloth. Do not use detergents, aerosol sprays or other polishes.

Hard Surfaces

Wood Veneer Finishes: Waxing or polishing catalyzed finishes is not recommended because this will give a greasy, cloudy or uneven appearance to the product and could void your warranty. Global's conversion varnish is best cleaned by wiping the surface with a damp cloth, followed by a soft dry cloth in the direction of the grain. If the surfaces are heavily soiled, a gentle product like "Windex" can be used, following the same instructions as above.

Laminate & Painted Metal Finishes: Simply wipe the surface with a clean soft damp cloth; if needed, a mild soap solution (i.e. Ivory dishwashing liquid) may be used. To prevent streaks, dry the surface with a clean dry soft cloth moving in a circular motion.

Textiles

- **Water-Based Cleaner:** Spot clean, using the foam only from a water-based cleaning agent, such as a mild detergent or non-solvent upholstery shampoo product. Apply foam with a soft brush in a circular motion. Vacuum when dry. Pretest small area before proceeding.
- **Solvent Cleaner:** Spot clean, using a mild water-free solvent or dry cleaning product. Clean only in a well-ventilated room and avoid any product containing carbon tetrachloride or other toxic materials. Pretest a small area before proceeding.
- **Water/Solvent Cleaner:** Spot clean with a mild solvent, an upholstery shampoo, or the foam from a mild detergent. When using a solvent or dry cleaning product, follow instructions carefully and clean only in a well-ventilated room. Avoid any product that contains carbon tetrachloride or other toxic materials. With either method, pretest a small area before proceeding.
- **Vacuum Only:** Clean this fabric only by vacuuming or light brushing to prevent accumulation of dust and grime. Water-based foam cleaning agents of any kind may cause excessive shrinking, staining, or distortion of the surface pile and therefore, should not be used.
- **Crypton Cleaning:** Generally stains are removed with plain water and powdered enzyme detergent. Upholstery foam shampoo, waterbased cleaning products and germicidal detergents can be used. Be sure to remove all residue from cleaning products with clean water. Do not use solvent-based cleaners or dry cleaning products.
- These recommendations and codes were developed by fabric specialists. However, because of the various ways fabric can be stained or damaged, there is no guarantee that the results will be completely successful. Use suggested methods on your own responsibility. To help prevent overall soil, frequent vacuuming or light brushing to remove dust and grime is recommended. Use professional furniture cleaning service when overall soiled condition has been reached.

Textile Price Grades - Global Textiles

Grade 1	Carrera, Dobby, Fusion, Illusion, Jenny, Quilt, Terrace, Trak, Urban, Waterfall, Wavelength
Grade 2	Allante FRee, Elevate, Etch, GC Linen, Imprint, Luxhide, Release

Grade 11	Non standard GLOBAL textiles
Grade 10	Non standard GLOBAL textiles
Grade 12	Non standard GLOBAL textiles

Please refer to individual seating series for availability of a particular textile.

The charts above do not include Textiles offered by Alliance Partners: Arc-Com Fabrics, Architex, CF Stinson, Designtex, Knoll Textiles, Green Hides, LDI Interiors, Luum Textiles, Maharam, Mayer Fabrics, Momentum, and Ultrafabrics.

Blend Seating Textiles

The grid below outlines the grade structure for using multiple textiles on select seating series. Blended textiles occur when one textile is chosen for one part of the chair and a different textile is selected for another part of the chair, resulting in a revised blended grade. For opportunities regarding more than two different textiles, please contact Global CustomerCare for approval process and grading.

LEED PARTNERSHIP PROGRAM
Products can help you earn credits

GREENGUARD CERTIFIED
Gold

THE ENVIRONMENT We believe now more than ever, that it is our responsibility to protect the environment and our precious natural resources for future generations. The growing importance of energy and environmental concerns continues to challenge us in this ever changing marketplace.

As an industry leader, Global continues to take proactive steps towards reducing the negative impacts on the environment. We are building "healthier" offices; investing in Research & Development and new technologies; reducing waste and the consumption of energy; and improving the quality of the air we breathe, all which can have a significant impact on our quality of life.

Epoxy Powder coating process is solvent free. No harmful VOC's or lead. No toxins are released into the atmosphere.

Global has the products and resources to help your projects achieve LEED certification.

Global's recycled fabrics offer affordable, environmentally responsible alternatives to commercial textiles. We recycle 35,000 lbs of fabric offcuts weekly.

New technology allows us to reduce glue usage by 50%. In addition, our polyurethane glue reduces emissions and requires less energy to apply.

powder paint process:
98% paint recovery and reuse

more recycled fabric
less to the landfill

talk to us about our
leed partnership program

we've diverted
90% of our wood waste from landfill in four years

For further information on Global's environmental initiatives, please visit http://www.globaltotaloffice.com/enviro/

This illustrated price list has been designed to facilitate fast reference and easy use. All products are categorized into "seating", "desks", "files", "panels", "tables" and "modular furniture", and are listed numerically within their categories. The line drawings match actual photographs (where possible) to aid in instant recognition of the total range within a series.

Sales of Global-The Total Office ("Global") products are made only on Global's standard terms and conditions of sale which are contained in this Price Book. These standard terms and conditions may be modified or supplemented only by a separately written document signed by Global's authorized personnel at its head office in Marlton, NJ. Any term or condition contained in any purchase order or other form used by dealer/purchaser to order goods (including standard, printed language) which is different from, in addition to, or in any way inconsistent with Global's standard terms and conditions shall be of no force or effect whatsoever.

All illustrations, specifications and prices in this book are based on the latest product information available at the time of publication. Global reserves the right to make changes, at any time and without prior notice, to prices, colors, materials, specifications and models offered.

Description
Each product shown or described in this price list is standard Global product. Variations are noted at the beginning of each series. Any variations from what is standard may require additional delivery time and cost and may affect the warranty given. Sizes and weights shown are approximate and are subject to slight changes from time to time.

Prices and Payment
The prices shown in this book, as well as those quoted by Global, are in United States dollars for orders shipped to destinations in the U.S. and Mexico.

If shipping date requested is more than 90 days from date of order, Global shall have the right to use published list prices effective at the time of shipment.

Orders are invoiced at the time of shipment. Terms of payment are net 30 days from date of invoice (1% 15 days) unless otherwise stated. The customer agrees that Global shall have the right to enforce a charge amounting to 1.5% per month (18% per year) on invoices outstanding more than 30 days.

If dealer/purchaser's most recent annual net volume is less than $5,000.00, payment must be made in advance.

Any products sold by Global shall remain the personal property of Global until fully paid.

Prices are suggested list prices only and are subject to change without notice. Global will, however, attempt to keep dealer/purchasers up-to-date on all developments including price changes.

Taxes
All prices shown in this book are exclusive of sales, use, excise and other applicable taxes and are the dealer/purchaser's responsibility as per the invoice issued by Global. If dealer/purchaser claims an exemption from such taxes, it shall be the dealer/purchaser's responsibility to furnish Global with an appropriate exemption certificate at time of order.

Ordering Information
To avoid errors and/or duplication Global requires that all orders be submitted in writing. All orders submitted to Global in writing will be acknowledged on Global's acknowledgement forms governing the transaction. The details appearing on this acknowledgement will describe the items to be shipped and the approximate shipping date. It is the dealer/purchaser's responsibility to determine that the information in the acknowledgment is correct. In the event of an error, the dealer/purchaser must notify Global immediately by telephone followed by written confirmation. Shipping dates are assigned to orders based on the item having the longest manufacturing lead time.

When ordering, please provide the following information:

1) Account number (if possible)
2) P.O. number
3) "Bill to" and "ship to" name and address
4) Complete model number
5) Description
6) Options:
   a. Upholstery fabric type and color (specify by name and number)
   b. Color of paint finish, laminate or wood (if applicable)
   c. Trim options (frame)
   d. Arms
   e. Base, Casters
   f. Mechanism
   g. Accessories

Dealer/purchaser is responsible for providing correct information when placing an order. Orders with incorrect information (finish, etc.) will be scheduled for manufacturing upon receipt of complete information.

All phone orders must be confirmed in writing by the customer within 7 days.

To prevent a delay in processing orders, please specify delivery routing.

Changes and Cancellations
After the date of Global's acknowledgment of a dealer/purchaser's order, the order may not be changed or cancelled by dealer/purchaser without the written consent of Global. Special order items, C.O.M. and fabric-covered items already in production are not subject to change or cancellation under any circumstances. Fabric-covered items are considered to be in production once the fabric is scheduled for cutting. Other standard items already in production are subject to a minimum 35% cancellation charge.

Errors and Omissions
All quotations, acknowledgements and invoices are subject to corrections for any errors and omissions.

FINISHES
Wood Finishes
For custom stain requests, submit a special request for quotation. Non-standard wood finish orders will incur a one time charge of $250 net to dealer per matching custom wood stain. This one time fee will be valid for 5 years from the time of matching. After 5 years, a new $250 net to dealer charge will apply. All custom wood stain products will receive a 10% list per unit upcharge, included on the special quote. Requests with unit quantities of 30 or more, may be considered for reduced or eliminated upcharge. At time of order, a 3" x 3" color sample is required to be submitted with order. Extended order lead time is required for custom matching and approval process.

File Finishes
All non-standard finishes must be approved by Global prior to acceptance of order and may be subject to an upcharge.

Laminate Tops - Pricing for all non-standard finishes and sizes must be provided by Global Customer Service and may be subject to an upcharge.

Desk Finishes
Because the distinctive characteristics and the nature of wood products cause variations, exact matches are not always possible.

Global has launched a finishes program between marketing companies within the Global Group to match products as best as possible when same finishes are specified.

C.O.M. (Customers Own Material)
Use of Customer's Own Material must be approved by Global prior to acceptance of order. Please refer to back of the Seating List Price Book and fill out the Authorization Request Form. Photocopy and use this form as often as necessary. The customer must provide a 12" x 12" fabric sample and advise how the fabric is to be applied. **Fabric yardage requirement will be advised by the factory, and additional yardage may be required if pattern requires matching.** Yardage shown in the List Price Book does not allow for pattern repeat/matching. Send to the address provided on shipping document upon approval from Global. If C.O.M. is difficult to apply or if product shall be modified, extra charges shall be made. Global reserves the right to cancel an order at any time if C.O.M. is inadequate for any reason. Customer's Own Material must be shipped freight and duties paid to our factory. Such shipment must be fully identified with purchaser's order number, RGA # provided by Global, and the item for which material is intended. Performance of C.O.M. when applied to product is the sole responsibility of the purchaser. Global's standard product warranty shall not apply to C.O.M. Use of C.O.M. will not reduce the published list price.

Textile Grading
All products are priced according to their standard fabric and fabric grade. Lower grade fabrics are available (unless otherwise specified) at same price as standard.

The listing of prices for each model indicates the prices for higher upholstery grades. Prices are based on yardage in imperial measurements.

TEXTILE PRICE GRADES - GLOBAL TEXTILES

Grade	Upholstery (Seating Fabrics)
1	Carrera, Dobby, Fusion, Illusion, Jenny, Quilt, Terrace, Trak, Urban, Waterfall, Wavelength
2	Allante FRee, Elevate, Etch, GC Linen, Imprint, Luxhide, Release
6	Novaro Genuine Leather

Grade	Upholstery (Panel Fabrics)
2	Lola
3	Anchorage, Merge

The charts above do not include Textiles offered by Alliance Partners: Arc-Com Fabrics, CF Stinson, Designtex, Knoll Textiles, Green Hides, LDI Interiors, Luum Textiles, Maharam, Mayer Fabrics, Momentum, and Ultrafabrics.

Upholstery Coverings
Slight variations in color may occur between dye lots. Although Global attempts to minimize these variances, they do occur and must be accepted as normal and will not be considered defects.

Yardage
Required yardage (ydg) is based on unmatched materials with widths of 54" for seating, 63" for GPS panels. Yardage calculations are based on imperial measurements.

Arms
A wide selection of arms are available for some series. See Arm Charts for details.

Delays
Global's shipping confirmation will state a shipping date which is Global's best estimate at the time the order is acknowledged. However, Global shall not incur any obligation or liability to Purchaser for failure to ship by specified date unless Global has agreed to an unequivocal shipping date in a separately signed written document executed by its authorized personnel at its head office. In addition, Global shall not be liable for any loss or damage resulting from any delay or failure in shipment or other failure to perform all or any part of the agreement between the parties with respect to the goods shown on the face of the order acknowledgement where such delay, failure, loss or damage is the proximate result of any act of any governmental authority or political subdivision thereof, revolution, riot, civil disorder or disturbance, delay or default in transportation, strike disputes among or between labor unions or other labor disputes, delay or inability in obtaining materials and facilities, fire, flood, act of God or any cause not within the reasonable control of the company, whether of the class of causes enumerated or otherwise.

F.O.B.
F.O.B. point is Global's Factory, Downsview, Ontario, Canada, or any Global Regional Distribution Center.

FedEx and UPS Shipments
Seating products marked with a FedEx or UPS symbol are packaged for shipment via FedEx or UPS.

Handling
Non-UPS/FedEx orders under $10,000 list incur $100 net handling fee. Small packages (FedEx, UPS) incur $25 net handling fee per carton (up to four cartons).

Special Delivery Requirements
Global's delivered pricing provides for dock delivery during normal business hours (considered to be 8 am to 4 pm Monday through Friday) to customer/end user only. Additional delivery requirements such as inside delivery, lift gate, limited access sites, installations and weekend deliveries will incur an additional expense and will be the responsibility of the dealer.

Service
Service requests are normally the responsibility of Global's authorized dealers. Where this cannot be accomplished on a local level, service problems should be referred to Global's Customer Service Department in the nearest distribution center.

Returns
No returns of goods will be accepted without written consent and shipping instruction of Global. A minimum re-stocking charge of 35% is made on all authorized returns for credit or refund, provided goods are received by Global in the condition in which they left the factory. This may increase depending on the type of product. Global's Return Goods Authorization (R.G.A.) numbers must appear prominently on all authorized returns. Global will not be responsible for freight costs. No credit will be given if goods cannot be reused as new. Special order items, non-stock items and C.O.M. products are in no event subject to return. All returns must be approved and authorized in writing by Global Customer Service. Global reserves the right to refuse delivery of any unauthorized returns.

Claims
All goods are sold F.O.B. plant or Global Distribution Center. Global is not responsible for damage which occurs in transit (or in storage). The carrier signs for all goods received in apparently good order. It is the dealer/purchaser's responsibility to examine goods upon receipt and to file any claims with the carrier for losses or damage to the product occurring during transit, including concealed damage.

Any claims made against Global for apparent defects, errors or shortages must be made by the dealer/purchaser, in writing, within 15 working days after any delivery. Failure by the dealer/purchaser to make any claim against Global within 15 days shall constitute acceptance of the goods and a waiver of any apparent defects, errors or shortages.

Suspension
In the event that the dealer/purchaser defaults in the payment of any sum due to Global, or in the event the dealer/purchaser's financial condition becomes unsatisfactory to Global, Global shall have the right to defer or discontinue shipment of any goods until such time as the default is cured or the dealer/purchaser provides assurance of payment to Global.

Copyright
All catalogs, photographs, drawings, price lists and other printed material are protected by copyright. All rights reserved.

Trademarks
All trademarks are owned by GlobalFurniture Group other than OBUSFORME™ which is owned by OBUSFORME LTD. and are used under license. OBUSFORME® and the distinctive backrest design are registered trademarks of OBUSFORME LTD.

Designs and Patents
Many of the products produced by Global are protected by design registrations, design patents and/or patents. Design and specifications are subject to change, discontinuance or additions without notice.

Cubic Measure
The stated cubage is an approximate cubic foot measure to calculate freight costs. The figure shown is the volume for one carton and is subject to change without notice. It is most economical to purchase the specified number per carton.

Combined Shipments
Global will make every effort to combine shipments and orders on written request. However, Global cannot be held responsible where such request is not complied with.

Offer of Sale
Possession of this price list or any other literature shall not imply the company's willingness to sell to the holder and shall not be construed as a direct offer of sale.

If a conflict arises between: (i) prices found in software support packages furnished to the customer by Global or by any other source on behalf of Global; and (ii) Global's current printed price lists, then the most current shall prevail.

Disclaimer
All dimensions are in inches. Prices shown are current manufacturer's suggested list prices at the time of printing. All applicable taxes are extra. Descriptions, specifications and prices are subject to change without notice. Errors and omissions are subject to correction.

Flammability
The foam used in Global chairs meets the requirements of California TB117. In addition to the foam, upholstery materials must also meet the California TB117 smolder resistant requirements. Please contact Customer Care to determine if a selected textile meets the California TB117 requirement.

This list price book is effective as of July 14, 2025.

For periodic updates, please check the PDF at www.globalfurnituregroup.com/resources. Global warrants that all commercial products are free from defects in material and workmanship, for the life of the product, to the original purchaser.

LIMITED LIFETIME WARRANTY

Global will repair or replace, at Global's option, as the sole remedy for any defect covered by the warranty. The warranty applies to products manufactured after March 22, 2016.

Global makes no warranty that any of its products are suitable for any particular purpose and makes no other warranties, express or implied, other than those set out here. As codes and standards vary from one jurisdiction to another, references to compliance are solely for convenience and without any representation as to accuracy or suitability. Users must verify the suitability of such information or product for their specific application. In no event shall Global be liable in either tort or contract for any loss or direct, special, incidental, consequential, or exemplary damages. The warranty applies to single shift, standard commercial usage, defined as a standard eight (8) hour day, forty (40) hour week for users weighing up to 300 pounds.

General Commercial Seating
Global's warranty for general commercial seating covers all chair components including pneumatic cylinders, bases, casters, glides, frames, arms, plastic seats, backs and other structural components.

Exceptions to the warranty for general commercial seating are as follows:

- Foam, textiles (as sampled on Global branded and textile program cards), mesh material and electrical devices, are warranted for five (5) Years. Novaro Leather is warranted for one (1) year.
- Control mechanisms are warranted for twelve (12) Years
- Heavy duty seating and Indoor/Outdoor Furniture are not defined as General commercial seating (see below for warranty exceptions)

Heavy Duty Seating
Global offers products designed for multiple shift applications (24 hours a day / 7 days a week) and larger individuals weighing up to 400, 500 and/or 600 pounds (depending on series and/or model). Global warrants these products for twelve (12) years to the original purchaser. All components (including control mechanisms, pneumatic cylinders, bases, casters, glides, frames, arms, plastic seats/backs, etc.) are covered for 24/7 applications under the warranty. The exceptions are foam, upholstery and textiles, which are covered for five (5) years. Fabric or upholstery material on these products must exceed 100,000 double rubs for the textile portion of the warranty to apply. Heavy Duty product series that apply under this warranty can be found in the Heavy Duty section of this list price book.

Outdoor Furniture
Global offers products designed for use indoors or outdoors. Global warrants these products for three (3) years to the original purchaser. This warranty applies to single shift (eight (8) hour day, forty (40) hour week) for users weighing up to 275 pounds, unless noted otherwise. Outdoor furniture must be stored indoors during inclement or extreme weather such as extreme cold, extreme heat, or excessive wind.

Exceptions to the warranty for indoor/outdoor furniture is as follows:

- Only Global branded textiles and Alliance Partner carded textile program materials expressly identified for outdoor application are covered for three (3) years when used outdoors.

Global's Warranty does not apply (for any product category) to the following:

- Products not purchased directly from authorized Global resellers
- Nominal or normal amount of wear and tear that can occur over time
- Failures which result from negligence, abuse, accident or misuse
- Failure to apply, install or maintain products according to Global's written instructions and warnings
- Modifications, attachments or repair methods not approved by Global
- Damage caused by a carrier in transit, or delivery/installation contractors
- The matching of colors, grains or textures (wood, leather, etc.) of natural materials
- Products exposed to extreme hot or cold temperatures or excessively dry or humid environments
- Colorfastness or the matching of color of textiles, dye lots of textile can vary
- Damage by markings or staining; damage by sharp objects or imprinting from instruments
- Damage to textiles or laminate and wood surfaces/edges from exposure to sunlight (including UV rays)
- Products used for rental purposes
- Purchased parts are warranted for one (1) year
- Failure to follow specific cleaning and disinfecting instructions posted on globalfurnituregroup.com

Seating Warranty Summary

Seating Type	Components Warranty For Original Purchaser	Use Time For Warranty Coverage	Exceptions

Textiles
Global warrants Global branded textiles and Alliance Partner carded textile programs inclusive of fabrics, vinyls and leather products for five (5) years, with the exception of Novaro Leather, which has a one (1) year warranty. Global does not warrant COM (Customer Own Materials) or graded-in materials (non-carded) and purchased by Global for a customer. For graded-in or COM products, please contact the textile supplier for performance information and warranty details. Please refer to our website at globalfurnituregroup.com for detailed information on cleaning and disinfecting procedures. Improper usage of disinfecting/cleaning products may void the warranty.
Global textiles and finishes are updated periodically to meet the demand and trends of the market. As a result, some textiles and finishes may be discontinued by Global or the manufacturer. In the event that a textile or finish is discontinued, Global will make every reasonable effort to provide an alternative product(s) of comparable function.

Global warrants that all commercial products are free from defects in material and workmanship, for the life of the product, to the original Purchaser.

Global will repair or replace, at Global's option, as the sole remedy for any defect covered by the warranty. The warranty applies to products manufactured after March 22, 2016.

Global makes no warranty that any of its products are suitable for any particular purpose and makes no other warranties, express or implied, other than those set out here. As codes and standards vary from one jurisdiction to another, references to compliance are solely for convenience and without any representation as to accuracy or suitability. Users must verify the suitability of such information or product for their specific application. In no event shall Global be liable in either tort or contract for any loss or direct, special, incidental, consequential, or exemplary damages.

Files, Desks, Modular Furniture, Tables, Panels & Accessories
Global warrants all components of metal storage and filing, laminate and wood veneer desks, laminate and wood veneer tables, metal leg components and panels for the lifetime of the product to the original purchaser.

The warranty applies to single shift, standard commercial usage, defined as a standard eight (8) hour day, forty (40) hour week. Load restrictions apply, refer to individual product descriptions.

Exceptions to the warranty for files/desks/tables and panels are as follows:

- Electrical devices, panel and tackboard textiles, adjustable keyboard mechanisms, non-electrical table mechanisms, monitor arms, lecterns, coat trees and task lights - five (5) years
- Laminate folding tables - one (1) year
- Motorized electrical components - two (2) years
- Keyless lock options - two (2) years
